Presidential Address.....	v
Felicitations Speech.....	ix
Abstracts of papers	
Phylogenetic relationships in selected monocots and basal angiosperms: morphometrics and flavonoid distribution.....	1
A. I. S. Priyadarshan and S. P. Senanayake	
Floral and vegetative morphometrics and phenolic contents of selected <i>Piper nigrum</i> L. Cultivars: correlation with taxonomy.....	2
K. B. S. S. Fernando, S. P. Senanayake and A. L. S. Dharmaparakrama	
Evaluation of growth of <i>Rhizophora mucronata</i> in relation to water and soil quality in selected sites in Kalpitiya, Puttalam Lagoon, North-west Sri Lanka.....	3
Ranasinghe, D.M.S.H.K. , Senadheera, D.K.L.K. , Wahala, W.M.P.S. , Dharmasoma, I , Wijesinghe, J and Kapurusinghe, T	
Histochemical aspects and <i>in-vitro</i> germination of pollen of <i>Rhizophora</i> species.....	4
D T Gunawardene and R M C S Ratnayake	
Lupin (<i>lupinus</i> spp.): a new cash crop for Sri Lanka.....	5
S. R. Weerakoon and S. Somaratne	
SSR markers revealed highly homozygous tall coconut accessions from Sri Lanka.....	6
Dasanayaka PN and Everard JMDT	

Antiglycation activity of <i>Salacia reticulata</i> L. (Kothala himbutu) root, stem, leaf, twig and fruit extracts.....	7
<i>G.A.S. Premakumara, P. Ranasinghe and W.K.S.M. Abeysekera</i>	
Comparison of physico-chemical parameters and berberine content in <i>Berberis ceylanica</i> and <i>Berberis aristata</i> (Daruharidra).....	8
<i>T. K. Nawarathna , G. A. S. Premakumara L. D. A. M. Arawwawala and P. Marasinghe</i>	
Evaluation of effects of different organic amendments on growth of rice (<i>Oryza sativa</i> L.) in North-western Province of Sri Lanka.....	9
<i>R M C S Ratnayake</i>	
An investigation of soil transmitted intestinal parasitic stages in soil and human populations in three sites of Sedawatta in Colombo Municipal Area.....	1
<i>T R G N Fernando, C Godigamuwa, P V R J Rajapakse, G Premawansa and S Premawansa</i>	
An investigation of cercarial dermatitis causing furcocercous cercariae in snail intermediate hosts in the Anavilundawa Sanctuary of Sri Lanka.....	11
<i>R H K Wimalasekara, R P V J Rajapakse and W S Premawansa</i>	
An investigation of the antimalarial activity of <i>Artemisia vulgaris</i> leaf extract in a rodent malarial model.....	12
<i>K.S.W. Kodippili, W.D. Ratnasooriya, G.A.S. Premakumara, P.V. Udagama-Randeniya</i>	

Thrip infestations on eggplants (<i>Solanum melongena</i>) in Ruhunu-Ridiyagama in Southern Sri Lanka.....	13
<i>W.T.S.Dammini Premachandra, D.P.C.Senarath and W.G. Anoma Gamage</i>	
Breeding of the endangered seahorse, <i>Hippocampus kuda</i> and constraints for larval development under captivity.....	14
<i>R.A.P.G Ranasinghe and U.P.K.Epa</i>	
Effects of different land use patterns on water quality along Dambagastalawa oya in Ambewela – Talawakelle area.....	15
<i>M. Kanakarathna and W.N.A. Jayatunga</i>	
Determination of toxic cyanobacteria dominance using Important Value Index (IVI) in some selected water bodies in Sri Lanka.....	16
<i>S. S. Sethunge and P. M. Manage</i>	
Effects of cadmium on the haematological parameters of the mozambique tilapia, <i>Oreochromis mossambicus</i> (peters, 1852).....	17
<i>Ranatunga, R.A.A.R.A., Wijesinghe M. R. , Ratnasooriya, W. D. and Wijesekera, R.</i>	
Effects of cadmium on larvae of the common Asian Toad <i>Duttaphrynus melanostictus</i> (schneider, 1799): evidence from empirical trials.....	18
<i>Wijesinghe M. R., Ranatunge, R.A.A.R. and Ratnasooriya, W. D.</i>	
A pilot study on the impacts of selected heavy metals on the immune system and reproductive biology of <i>Euphlyctis hexadactylus</i> (ranidae: raninae) under natural conditions.....	19
<i>W A N Madushani, Deepthi D Wickramasinghe and Preethi Udagama-Randeniya</i>	

Carbofuran-induced histological alterations in <i>Duttaphrynus melanostictus</i> (schneider, 1799) tadpoles.....	20
Jayatillake, B.A.D.M.C., Wijesinghe, M.R and Ratnassoriya, W.D.	
Growth and reproductive biology of <i>Gerres abbreviatus</i> (bleaker, 1850) (perciformes:gerredae) in the Jaffna Lagoon, Sri Lanka.....	21
Nithiyakala Kumaralingha, Krishnarajah. S.R and Venkatesh Luckshman, W.	
Niche occupancy of the Rufous babbler <i>Turdoides rufescens</i> (blyth, 1847) in mixed-species feeding flocks of Sinharaja World Heritage Site.....	22
Perera J. N. and Kotagama S. W.	
Food resource partitioning among three kingfisher species at the Bellanwillia-Attidiya wetland.....	23
Bandara, S. P. J., Gunasekara, I., Sudasinghe, H. and Wijesinghe, M. R.	
Stakeholders, management problems and prospects for collaborative management of the Maduru Oya National Park.....	24
Wedage, Irushinie R., Muthunayake T. B. S and Dayawansa P. N.
