

Workshop On

HISTORICAL BIOGEOGRAPHY IN PHYLOGENETIC CONTEXT

Organized by

The Institute of Biology Sri Lanka

in collaboration

with

National Herbarium of the

Department of National Botanic Gardens Peradeniya

On 16th of August 2017
From 8.30 a.m. – 4.30 p.m.

@ the Auditorium of the Education Centre of
Royal Botanic Gardens Peradeniya.

Limited spaces will be available.

Lunch and the Refreshments will be provided

Resource Persons:

Dr. Cellinese, Associate Curator,
Florida Museum of Natural History
& Joint Associate Professor

&

Ms. Prabha Amarasinghe, Phd student
(Department of Biology, University of Florida)

Workshop will be highly relevant to academics, researchers and post graduate students involved in the research of systematic, phylogenetics, biogeography and ecology of floral and faunal taxa.
